Letter No. 153, dated the 20th June 1894, from the Sub-Division Officer on Special Duty in connection with Irrigation Wells in Mysore, recommending a loan of Rs. 175 to one Ladar Nanjunda of Madanahalli, Goribidnur Taluk, to enable him to construct a well in his wet land, Survey No. 132, and stating that though the land is situated under a small tank, the water does not reach it, and that in consequence the applicant is growing dry crops in the land

No. 3909-10—R. 519, DATED, BANGALORE, 3RD SEPTEMBER 1894.

ORDER THEREON.—For reasons explained in the letter read above, the recommendation of Mr. B. G. Krishnaiengar is sanctioned as a special case.

**No. 4489-98—R. F. 176-92, DATED, BANGALORE, 9TH SEPTEMBER 1894.**

**ORDER.—In para 6 of Government Notification No. 229, dated 27th February 1885, fees of Rs. 3 and Re. 1 per mensem were ordered to be levied on licenses for the retail vend of Ganja and its preparations in the towns of Bangalore and Mysore respectively. By Government Notification No. 18605—R. F. 176-92, dated 10th May 1893, the rate for Mysore was raised to Rs. 3 per mensem, so that this is the present rate for both the towns of Bangalore and Mysore. Shops at other places pay no license fee.**

2. Government are of opinion that it would be preferable to have for the future a system of classification of Ganja shops with reference to income and of the levy of a permanent license fee for each place according to a fixed sliding scale, the shops at that place being of one class and not of different classes.

3. Ganja shops shall accordingly be classified as shown in the accompanying Statements **A** and **B**, the data for which are taken from the statistics of sales for the year 1892-93, as summarized below:—

First class with an income of Rs. 29 and more per mensem.
Second class with an income of Rs. 20 and more per mensem.
Third class with an income of Rs. 10 and more per mensem.
Fourth class with an income of less than Rs. 10.

4. The fee for licenses of each class shall be as follows:—

Rupees 10 per mensem for first class.
Rupees 5 per mensem for second class.
Rupees 2 per mensem for third class.

These fees shall always be payable quarterly in advance commencing from 1st January 1895. No fee shall be levied for a license falling under the fourth class. A notification to this effect shall also be published in the Gazette.

5. The Excise Commissioner will, after one year's experience of the system now ordered, report as to any modification that may appear to be necessary.

6. It is observed that at present there are no drug shops at the Head-quarters of some Taluks and Sub-Taluks. The Deputy Commissioners should make a careful enquiry as to how the public demand, if any, at these places is now met, and whether there is reason to suspect clandestine cultivation or illicit import and sale. Where such exist, it would obviously be desirable to license a vendor and open a shop. The places are named in the accompanying statement C.

7. The twelve superfluous shops named below should be closed after giving reasonable notice to the present license holders:—

| | Number to be closed. |
|---|---|
| Bangalore City | 1 |
| Mysore town | 2 |
| Shimoga town | 1 |
| Chikmagalur | 1 |
| Tumkur town | 1 |
| Kolar Town | 1 |
| Channapatna town | 1 |
| French Rocks town | 1 |
| Benkipur town | 1 |
| Holehonnur town | 1 |
| Anavatti town | 1 |
| Total | 12 |

8. There is reason to believe that in some places such as those named in the margin, the existing Opium shops have not also been given Ganja licenses as prescribed in the Rules, but separate shops have been opened for the vend of Opium and Ganja in the same town. This appears neither desirable nor necessary. They should all be given Ganja licenses, unless the Excise Commissioner has reasons to the contrary, in which case the same should be reported for further instructions.

Yedatore.
Yelandur (Mambalii.)
Chamrajnagar.

9. Several Ganja shops, which under the rules should also be given Opium licenses, have not been given them, with the result that sometimes there is occasion for clandestine sale of Opium. The Excise Commissioner is therefore requested to cause the fifty-seven Ganja shops of this kind named in Statements **A** and **B** to be also given Opium licenses.

10. The number of shops now fixed will thus be 103 as shown below:—

| | |
|---|---|
| Number of Ganja shops existing at present ... | 120 |
| Deduct number to be closed, *vide* para 7 above ... | 12 |
| Balance ... | 108 |

**11. The financial results of the foregoing arrangement will be as follows:—**

| Number of shops | Class | Rate of Fee. | Amount. |
|---|---|---|---|
| | | Rs. | Rs. |
| 6 | First ... | 10 | 60 |
| 2 | Second .. | 5 | 10 |

READ THE FOLLOWING.—

Letter No 641—597, dated 13th May 1893, from the Deputy Commissioner, Chitaldroog District

I have the honor to solicit the orders of Government regarding the question of the levy of fees for notices and other processes issued by the Revenue authorities.

2. Under Rule XLIV (1) Processes for the recovery of arrears of revenue should, when practicable, be served by the Government village officers and Taluk peons whose services in respect thereof must be rendered gratuitously. It is only when those officials cannot serve such processes that notice fees seem recoverable in order to enable a separate Process Establishment being maintained (Vide Dewan's reply at page 79 of the Proceedings of the Representative Assembly held in October 1890.)

3 In no Taluk of this District is such separate establishment maintained, but notice and other Process fees continue to be recovered everywhere as heretofore and credited to Government.

4. I beg to solicit instructions as to whether the levy of such fees should be discontinued wherever it is found possible to get such processes served by Taluk peons and village officials.

No. 4894-901—R. F. 60-94, DATED, BANGALORE, 10TH SEPTEMBER 1894.

ORDER THEREON —The Deputy Commissioner is informed that Process fees should not be levied, unless it becomes necessary to employ a Process Service establishment. The existing practice of levying fees, though a Process Service establishment has not been maintained, should be discontinued.

OFFICE OF THE DEWAN OF MYSORE,
*Dated, Bangalore, 15th September* 1894.

*From*

*The Chief Secretary to the Dewan of Mysore.*

*To*

*The First Assistant to the Resident in Mysore.*

SIR,

I have the honor to forward herewith for information copy of a memo dated 13th September 1894, regarding the sandal realizations of the Civil and Military Station, received from the Inspector General of Forests, and to intimate that the sum of Rs. 2,037-15-8 has been ordered to be paid into the Resident's Treasury on account of the sandal realizations of the Civil and Military Station, for the years from 1885-86 to 1893-94. No deduction has been made on account of the cost of collection and realization. It amounts to Rs. 117-15-0, and the Darbar waive their claim to it.

I have the honor to be,
Sir,
Your most obedient Servant,

T. ANANDA ROW,
*Chief Secretary.*

MEMO.

There is no Monegar or any other official appointed for collecting sandalwood in the Civil and Military Station of Bangalore. Whenever information of decayed or dead trees in private compounds or other places within the limits of the above station is received from the occupants, the Daroga is detailed to inspect and remove such trees to the koti.

2. The quantity of sandalwood collected from the station limits, prepared and sold at the koti from 1885-86 to 1893-94, the charges and receipts on that account, are shown in the annexed statements.

3. It will be seen that out of 22 tons 13 cwts. 101 lbs. collected for nine years at a total cost of Rs. 117-15-0, 21 tons. 4 cwts. 95 lbs. inclusive of driage, were sold for a total sum of Rs. 2,037-15-8.

4. Hitherto, no systematic attempt has been made to ascertain the resources of sandalwood or the quantity of mature or dead wood procurable within the station limits. To obtain reliable information on this point, a responsible officer, perhaps the District Forest Officer, Bangalore, may be deputed to inspect the sandalwood trees and report thereon.

5. It is learnt that it is under contemplation to give out on contract the collection of sandalwood within the station limits, but the question has not come up before the Inspector General. An application for such contract from Mr. Smith in 1887, through the Assistant Resident, and referred for the Inspector General's opinion, under Chief Secretary's Endorsement No. 1600, dated 28th February 1887, was fully dealt with in this Office Letter No. 1942—144, dated 17th March 1887 to the Chief Secretary. No further communication on the subject has been received up to date.

OBSERVATIONS :—

*Mysore District.*—There are 35 names entered in the list, *viz.*—

1 Treasurer, District Treasury,
15 Shroffs.
13 Taluk Sheristadars,
3 Stamp Vendors,
2 Shanbhogs,
and 1 Nagadi Gumasta at French Rocks; but in no case is the prescribed certificate furnished that the security is sufficient and in a realizable form. There is nothing to show that the securities were recently examined, and there is reason to suspect an ignorance of the fact that a Bond is prescribed in the case of Savings Bank Deposits in addition to the usual letter to the Officer in charge of the Savings Bank.

*Bangalore District.*—There are 23 Officers, who have furnished security, namely :—

1 District Treasurer,
12 Shroffs.
9 Taluk Sheristadars,
and 1 Stamp Vendor,

All securities are stated to be sufficient. The dates on which they were respectively last examined and the names of the Officers who so examined them and have found them sufficient, have not been given. The Deputy Commissioner has not certified in the terms prescribed that the securities are in realizable forms as well as sufficient.

*Kolar District.*—There are 23 officials, whose names are entered in the list as having furnished security, *viz.*—

1 Treasurer of the District Treasury,
11 Shroffs,
and 11 Taluk Sheristadars including one "Late Sheristadar of Kolar Taluk" and another "Dead Sheristadar of the Bowringpet Taluk." The reason why these two securities have been kept is not explained and in no case is the prescribed certificate that the security is sufficient and in a realizable form furnished. The dates of last examination of securities and the names of the Officers, who examined them have not been given. The securities of three officials, namely :—

1. The Head Shroff, District Treasury,
2. Bowringpet Taluk Shroff,
and 3. Chikballapur Taluk Shroff are still subject of correspondence, and

in the eight cases mentioned below, the security Bonds have not yet been taken:—

1. Chintamani Taluk Sheristadar,
2. Ditto Shroff,
3. Sidlaghatta Taluk Shroff,
4. Bagepalli Taluk Sheristadar,
5. Ditto Shroff,
6. Goribidnur Taluk Shroff,
7. Malur Taluk Sheristadar,
8. Ditto Shroff.

All this betrays an unsatisfactory state of things.

*Tumkur District.*—There are 20 names entered in the list, namely:—

1 Treasurer, District Treasury,
10 Shroffs,
8 Taluk Sheristadars,
and 1 Stamp Vendor of whom the last mentioned is stated to be on extraordinary leave. In one case, (Sira Taluk Shroff) one material document is not in proper custody and in no case has the Deputy Commissioner certified that the security is sufficient and in realizable form. The dates of last examination and the names of the examining Officers have not been given.

*Hassan District.*—There are 19 names entered in the list, namely:—

1 Treasurer, District Treasury, transferred,
1 Treasurer, District Treasury on duty,
9 Shroffs,
7 Taluk Sheristadars,
and 1 Stamp Vendor.

The Officiating Deputy Commissioner Mr. Muhammad Ali has certified to the sufficiency of the security in each case but not as to its being in a realizable form. In one case (that of the Belur Shroff) property in Mysore has not been valued since 1885. Nothing is stated as to where the security Bonds are lodged.

*Shimoga District.*—There are 14 names entered in the list, namely:—

1 Treasurer, District Treasury,
6 Shroffs,
6 Taluk Sheristadars,
and 1 Stamp Vendor.

The Sheristadars of Nagar and Honnali Taluks and the Shroffs of Shimoga, Sagar, Thirthahalli and Nagar Taluks have been unaccountably omitted. In no case is the sufficiency and realizable form of the security certified to. In cases of Savings Bank Deposits there is reason to believe that the Bond prescribed (Form No. 2, Appendix B to the Rules under the Land Revenue Code) has not been taken.

*Kadur District.*—No statement has been submitted in the form prescribed. But the Deputy Commissioner has reported that the securities taken except in two cases are reported by the General Assistant Commissioner (not named) to be sufficient and in realizable form and that in the two excepted cases the Deputy Commissioner of Hassan (in whose District the property is situated) has certified to the sufficiency of the security.

*Chitaldroog District.*—There are 17 names entered in the list, namely:—

1 Treasurer, District Treasury,
9 Shroffs,
and 7 Taluk Sheristadars.

Of them, the securities in one case are the subject of correspondence, in 4 cases no Bonds have been taken, 'forms' being awaited from the Comptroller; and in 2 cases no security has yet been taken. In no case is the sufficiency and the realizable form of the security certified to. This is not a satisfactory state of things. The forms prescribed in the Revenue Rules should have been adopted in manuscript.

The following Memorandum No. 1503-6—37, dated 22nd November 1893, from the Inspector General of Forests and Plantations in Mysore regarding Kumri cultivation in the Mysore Province.

READ THE FOLLOWING :—

Reports *re* Kumri cultivation under the terms of the Inspector General's Circular No. 2685—2 8, dated 5th January 1892, re-published in Government Proceedings No. 11221-20—R. F. 222-92, dated 28th December 1892.

(2) Letter No. 704, dated April 1893, from the Deputy Commissioner, Hassan District.

(3) Docket No. 3458—325, dated 12th June 1893, from the Deputy Commissioner, Shimoga, forwarding copy of Sagar Sub-Division Officer's letter No. 724 of the 8th idem.

(4) Letter No 1139, dated 15th June 1893, from the District Forest Officer, Shimoga, forwarded through the Deputy Commissioner.

(5) Letter No. 64, dated 10th August 1893, from the District Forest Officer, Mysore, received with the Deputy Commissioner's O. M. No. 286.

(6) Letter No. 537—37, dated 28th August 1893, from the Deputy Commissioner, Shimoga, forwarding copy of letter No. 61 of the 4th idem, from the Sub-Division Officer, Sagar.

(7) Letter No. 219, dated 7th October 1893, from the Sub-Division Officer, Sagar.

1. Of the three Malnad Districts situated along the Western ghauts, in which Kumri cultivation had been extensively carried on in former years, in only one District, *viz.*, Shimoga, and that two only in parts of Nagar and Sagar Taluks, a few old Kumried fields were occupied by Kumbis and others during the past season and none during the current season. In all, *forty applications were received in both Sagar and Nagar Taluks, and out of thirty-five applications* received in the Sagar Taluk alone, twenty-four were withdrawn on the ground that there was not sufficient time for clearing and burning the sites before the rains. In the Nagar Taluk also, the sites granted remained unoperated upon owing to the early commencement of south-west rains and in consequence the sites were not assessed that year. In the Sagar Taluk, however, an area of 74 acres 15 guntas was granted to eleven persons who sought after the cultivation for two years, and of whom one was a Kumbi, the others were raiyats living on the ghauts interested in Kumri cultivation. The area allotted to the Kumbi was 5 acres 16 guntas, while that allotted to ten others aggregated 68 acres 39 guntas. The whole of this area was assessed at 8 annas per acre as a temporary measure and it brought in a revenue of Rs. 37-3-0. The present allotment, however, comprises too large an area to be assigned to each man with reference to para 111 of the Circular and no reason has been assigned for granting a larger area. It is stated that the sites in the Sagar Taluk were inspected by the Ranger, Shikarpur Forest Sub-Division, and those in the Nagar Taluk by the Agricultural Inspector of the District and reported on as unobjectionable to be granted except in one case which was refused.

2. The Kumri cultivation is chiefly carried on by Kumbis on the Western ghauts and Kurubas in the south-west forests of the Mysore District. The Kumbis left the Province on the abolition of the system several years ago and they are expected to return on learning that the system has been revived. Mr. Abdul Rahman is sanguine of the gradual extension of this cultivation. It is noteworthy that in his District there was on the very outset a ready response from those that sought after kumri to grow timber-bearing and other useful trees for Government in their kumried fields. But the Kurubas, a wild tribe in the Mysore District, could not be easily brought to such terms. In both Kakankote and Mattikuppe Forests, 11 "takkals" measuring 71 acres 21½ guntas were assigned to Kurubas of different Hadis. As regards the area of "takkal" assigned to each man, the remarks against the Shimoga District in the preceding para would apply to this District also. The Kurubas were supplied with 18 pallas of tree seeds to be sown with their cereal seeds. But the results reported are very poor, if not, altogether nil. To cause the Kurubas to interest themselves in the matter and to assure them that gratuitous planting is not exacted from them, the Forest officer should take early steps to pay such of the Kurubas as have seedlings of timber trees or sandalwood raised on their respective takkals. An innovation like that now introduced requires time and patience before it can be got into good working order. It is trusted that the Forest officer will endeavour to bring the Kurubas to better understanding on the subject and to ensure better results thereby in future. It has been since learnt from the Coorg Forest officer Mr. Fairfax Prevast, that teak, &c., grown in Coorg kumri has succeeded very well, so well in fact as almost to bear comparison with *plantation* work. The District Forest officer, Mysore, has already been instructed in this Office No 1259—121, dated 21st October last, to inspect the Coorg kumri and report fully on the method pursued there.

3. The Inspector General would also await the results of sowings by Kumbis and other Kumri cultivators in the Shimoga District in this, the second or last year of their cultivation and for which purpose they have already been supplied with different tree seeds by the Forest officer. This would give the Inspector General an opportunity to study the results of different modes of culture as carried on in both Mysore and Shimoga Districts as compared with Coorg and to decide upon the future line of action.

4. As regards the rate of assessment to be imposed on Kumri cultivation Mr. Namakal Rao, the Sub-Division Officer, Sagar, remarks that it should not be higher than the rate prevailing in the North and South Kanara Districts. The District Forest officer reports that the dry rate in the adjoining Taluks of Her Majesty's Territory is one rupee per acre and that the same may be charged in Mysore. He also reports that the dry rates in the Malnad Taluks of the Shimoga District vary from eight to fourteen annas per acre. It seems however expedient considering the restrictions and obligations now imposed and the comparatively small extent of Kumri cultivation at present that the current rate of eight annas per acre may be retained for another two years at least. In this respect the Kurubas of the Mysore District have to be treated exceptionally.

5. As regards penalty for not sowing timber, &c., seeds as per engagement there should, the Inspector General thinks, be no money fine but prohibition from participating in kumri cultivation hereafter.

6. No rules can as yet be laid down with reference to para 5 of the Circular as it seems necessary to watch the experiment in operation for some years. It is hoped that with the increased experience which will be gained in the course of the next two years, the Deputy Commissioners, Sub-Division and District Forest officers may be able to propose a set of rules for consideration and approval.

7. A copy of this Memorandum together with copies of reports numbered 1, 2, 4, 5 and 6 above read, will be submitted to Government for information and such further orders as may be considered necessary.

(1) Inspector General's Circular No. 2681-84—76, dated 5th January 1892.

In reply, has the honor to report that no applications have been received for the cultivation of forest land in this District on the Kumri system, wide publicity was given of the concession granted by Government.

2. Raiyats and others consider it more profitable to take up forest land for coffee than for the cultivation of cereal crops.

(2) With reference to your Nos. 2080-83—80 and 3209-12—82 of the 19th January and 11th February 1893, respectively, anent Kumri cultivation, I have the honor to state that the Sub-Assistant Conservator made enquiries and found that there were no Kurubars or other jungle men who were accustomed to Kumri cultivation inhabiting in the forests of this District. He notified the terms on which cultivation would be allowed even beyond the frontier to those living in South Canara villages on the outskirts of our forests. None came forward and applied.

2. Enquiries made through Amildars have shown the same result.

3. Kumri cultivation has gone out of custom here, Mr. Muddappa thinks that its revival cannot be looked for with any degree of certainty and I hold the same view.

(4) With reference to your No. 3209-12—82, dated 11th instant, I have the honor to submit the following report regarding Kumri cultivation in this District.

2. The sanction for the revival of Kumri cultivation was explained to the people of the Malnad Taluks through the Amildars as well as by myself while on circuit, and the concession was heartily welcomed throughout for obvious reasons. The Marati Kumbis who are to avail of the concession to a large extent are very few at present towards the ghauts, though their number is sure to increase in course of time as the measure becomes widely known on the frontiers of Her Majesty's Territories whither our former Kumri cultivators must have emigrated.

3. The cultivation is at present confined to old Kumri sites, of which lists were obtained and most of the blocks were inspected by the Forest officers deputed for the purpose and found to contain very few reserved trees and trees yielding minor produce.

4. The majority of applications that were received from Havik Brahmins and other land owners and the extent of land taken up to date as per darkhasts is reported to be—

| | | |
|---|---|---|
| in Sagar Taluk, acres | | 74—15 |
| Nagar | ditto | 10— 0 |
| Total ... | | 84—15 |

and the extent actually brought under cultivation is acres 74—15.

5. The cultivation being for a period of two years, the timber bearing and other seeds are to be sown during the second year and arrangements have been made to supply the required kind and quantity of seeds suited to the soil, &c.

6. As for the proposed framing of rules regarding the area, locality, assessment and penalty for not sowing seeds, I am of opinion that the first two points which are more of departmental nature may well be left to the discretion of the Revenue and Forest officers respectively. Considering the cheap mode of cultivation, the richness of fresh forest soil, and maximum dry rate prevalent in the Malnad Taluks which varies from 8 to 14 annas per acre, the assessment at the rate of

Re. 1-0-0 per acre, as in the adjacent Taluks in Her Majesty's Territories, appears to me reasonable. The Kumri cultivation being still in its infancy, the penalty for not sowing seeds must not be heavy and I am of opinion that any reasonable fine may be inflicted by the Deputy Commissioner at his discretion taking each case into consideration.

7. In conclusion, I beg to state that the report could not be submitted earlier as the Sagar Sub-Division officer informed that he was unable to give his opinion on the subject till the Jamabandi of the Taluks was finished, and his report on the subject has already been forwarded to you by the Deputy Commissioner with his No. 3458—325, dated 12th instant.

(5) With reference to Inspector General of Forests, docket No. 4762—432, dated 24th June 1893, has the honor to submit herewith a statement showing the particulars called for therein regarding Takkal cultivation. It will be seen from the statement that 18 pallas of teak, honne, matti and sandal were sown in eleven different Takkals of an aggregate area of 71½ acres, and not 21 pallas in 13 Takkals as reported in this office No. 594, dated 11th April 1893. The Probationer on whose report the latter was based, has been called upon to explain the discrepancy and the same will be submitted on receipt. As has already been reported that with the exception of about 750 sandal seedlings which are now found scattered here and there, no seedlings of other kinds are met with. It appears that a few teak plants having come up got rotted away under ragi crop. As regards surviving sandal seedlings, a close inspection thereof will be made at an early date and a report submitted to the Deputy Commissioner regarding payment to be made to the cultivators therefor, as enjoined in the Proceedings under reference.

As to the spirit of the Proceedings in question, the undersigned begs to state that he has understood it to the best of his abilities and as correctly as possible. He has not only explained the same to the subordinates, but to Kurubars also direct in many instances. In fact he has made it a rule to explain the same to all the Kurubars he happens to come across in the jungles during his tours. In spite of all the above, the Rangers reported that the Kurubars raised takarars, last year, to undertake the work and when persuaded, some of them agreed to do so, but did the work very indifferently. It is needless to state that at the commencement, all novel departures on the part of Government, however beneficial they may be, are generally misconstrued and accepted with great misgivings by the ignorant people. Such being the case, it is not strange to find Kurubars who are next to brutes, making takarars, to adopt the revised system of Kumri cultivation. Unless some Kurubars are rewarded as enjoined in the Proceedings under reference, the beneficial effects of the system are not likely to be realized by Kurubars in general; and this seems only to be a work of time. However, a good many of the Kurubars who objected to undertake the work last year, have taken up the work during the year; and the consequence is, that 317½ acres are already sown with 42⅔ pallas of different kinds of seeds by 113 people; and the results thereof will be reported in due course.

In conclusion it is to be observed that the system of Kumri cultivation had not been altogether put a stop to in this District, and was in force though to a limited extent, prior to the issue of the circular contained in the Proceedings under reference. It is thus clear, that the circular in question did not bring back into existence, the system of Kumri cultivation, much needed by the Kurubars; but only held out additional inducements. Some of the Kurubars who were already in the habit of cultivating Takkals, did not care for the additional benefits as they were quite satisfied with what they were getting before, from their cultivations; while the rest who had altogether given up cultivation, did not come forward to take up work as they were more or less out of practice. It is this that has made the revised rules not so attractive to Kurubars in general as was anticipated; and not any lack of interest on the part of Forest Department, in explaining the spirit of the circulars to them.

(6) With reference to your docket No. 4756—353 of the 24th June last, I have the honor to forward for information, copy of the Sagar Sub-Division officer's letter No. 61 of the 4th instant with enclosures and to state that I added no remarks of my own while I forwarded copy of the Sub-Division officer's first letter, for there was nothing in it which necessitated any particular remark. It is too early yet to express any useful opinion. Further the annual report from the District Forest officer is not yet due.

2. Enquiries have been made in the Tirthahalli Taluk and the rules made known to the Kumbis below the ghaut, but no application has yet been received in that Taluk for Kumri cultivation which has long fallen into disuse in Mysore, and it will be some time before it can be revived to any appreciable extent. A beginning has however been made and earnest attention will be paid to the improvement and extension of the cultivation in question.

3. At present there is no need whatever to give out other than the old sites.

4. It has already been pointed out to the officers concerned that as far as possible it is better to deal directly with the Kumbis themselves than through the intervention of other raiyats. The Kumbis will naturally like to be independent raiyats and it is far more easy to deal with them in respect of the growth of the Government Forests than through other raiyats who may retain the Kumbis chiefly for their own private ends.

With reference to his No. 3580, dated 27th June last, forwarding copy of Forest Inspector General's docket No. 4756—353, dated 24th idem, on the subject of Kumri cultivation, has the honor to state that all the applications granted during the previous year being for a period of two years, necessary steps have been taken to sow the timber bearing seeds, &c., during the present season. To this end sufficient quantity of seeds has been obtained from the Assistant Conservator of Forests and distributed to the Kumbis through the Amildars of the Taluks in which this cultivation is being carried on.

2. No fresh applications were received and granted during the current season.

3. Copies of Mutchalikas as regards cultivation, rate of kandayam, sowing of seeds, &c., taken from Kumbis by the Amildars of Sagar and Nagar Taluks, are herewith sent as requested in the latter part of the Forest Inspector General's docket quoted above.

4. It may here be noted that a condition to the effect that Kumbis should procure the needful seeds imposed by the Nagar Taluk Amildar was unnecessary as the same according to the rules will be supplied by the Government. The Amildar has been instructed to communicate this fact to the Kumbis and directed not to insist upon them to procure the seeds.

The remaining increase of Rs. 34, is shown under the head "Cloth," the revenue from which is estimated at Rs. 135 against Rs. 101; but the estimate will be reduced to Rs. 100, as the average collection of the past two years amounts to Rs. 94 only.

4. *(II) Tax on houses, and (VII) Mohatarfa.*—The increased estimates under these heads, which include Government share of house and mohatarfa taxes, transferred to the Municipality by Government Proceedings dated 6th October 1893, Camp No. 27-32, are approved.

5. *(X) Miscellaneous.*—The omission of estimate under "School Fees" from the English School, which was transferred to Provincial under Government Proceedings dated 24th March 1894, C. No. 24-7, accounts for the decrease in the estimate. It includes contribution of Rs. 364 expected from the towns-people on account of the maintenance of the Town Police. The Municipality having been relieved of the Police charges, the amount will be struck off the Budget. *Vide* Government Proceedings No. 22491-500—L. F. 267-93, dated 23rd June 1894.

6. The income as now estimated amounts to Rs. 3,485.

7. The estimated opening balance does not appear to have been correctly computed in the Deputy Commissioner's Office in regard to this and other Municipalities in the District. The sums entered as the closing balance of the year 1893-94 in the statement appended to para 18 of Government Proceedings dated 7th August 1894, No. 2145-6—L. F. 375-92; but the purpose for which the balance of Rs. 100 is needed has not been stated. The omission should be supplied.**

20. (*II*) *Tax on houses, and* (*VII*) *Mohatarfa.*—The estimates under these heads, stated to have been based upon the Jamabandi for 1893-94, are approved.

21. (*X*) *Miscellaneous.*—The decrease under this head is chiefly in the marginally noted two items. The Deputy Commissioner is requested to state in regard to this and other Municipalities in the District, whether the estimate under the sub-head "cattle-pounds" represents gross revenue including fodder charges of the impounded cattle and remuneration to pound-keepers, or only the net revenue. Meanwhile the estimate will stand.

23. (*IV*) *Conservancy.*—The omission of the provision of Rs. 57 sanctioned in 1893-94 on account of "other charges" under this head, accounts for the decrease in the estimate, which is passed.

24. (*VIII*) *Public works.*—The works noted below are proposed to be executed during 1894-95. The estimate is approved:—

| | Rs. |

| 1. Repairing roads ... ... ... ... ... | 120 |

| | Total ... | 435 | 644 |

27. (*II*) ***Tax on houses, and (VII) Mohatarfa.***—The increase under these heads is due to the revision of taxes recently effected in the town. The estimates are sanctioned.

28. Adding to the esimated revenue the opening balance of Rs. 1,311 shown against this town in para 7 above, the sum available for expenditure during 1894-95 is Rs. 1,955, of which Rs. 1,481 are proposed to be expended:—

| | Details. | Actuals of 1892-93. Rs. | Estimate for 1893-94. Rs. | Estimate for 1894-95. Rs. |

With reference to this item, it is observed that a sum of Rs. 120 was sanctioned in the Budget for 1893-94 for the improvement of the existing cattle-pound. The Deputy Commissioner is requested to explain the necessity for a new cattle-pound. Meanwhile the estimate will stand.

HEGGADDEVANKOTE.

32. The Municipal Board estimate the revenue of the Municipality for 1894-95 at Rs. 215 against Rs. 229, the actuals of 1892-93. The estimates call for no remark, except that the decrease under "X Miscellaneous," which is chiefly in "(*d*) Pounds" is justified by the diminished probable collections of 1892-93, and will be retained, subject to the submission of information called for in para 21 above.

| | Items. | Actuals of 1893-94. | Estimate for 1894-95. |

| XI. | Miscellaneous ... ... | 12 | 26 | 30 |
| | Total ... | 184 | 152 | 195 |

34. (*XI*) *Miscellaneous.*—The provision under this head amounts to Rs. 30 according to the Budget Statement No. I, while the total of the details given in Budget Statement No. III comes to only Rs. 25. The difference, *viz.*, Rs. 5 is apparently due to the omission in the latter statement on account of reward to dog and snake killers. The omission will be supplied, and the estimate passed for Rs. 30.

SARGUR.

35. The estimated revenue of this municipality for 1894-95 amounts to Rs. 305 against Rs. 292, the actuals of 1892-93 :—

36. Including the balance of Rs. 1,535, shown against this Municipality in para 7 above, the sum available for expenditure during 1894-95 is Rs. 1,840, of which Rs. 480 are proposed to be expended, leaving at the end of the year a balance of Rs. 1,360, which exceeds 30 per cent of the receipts by Rs. 1,268. The Deputy Commissioner is therefore requested to propose further allotment for useful public works :—

| Details. | | Actuals of 1892-93. Rs. | Estimate for 1893-94. Rs. | Estimate for 1894-95. Rs. |

| | Total ... | 239 | 415 | 480 |

37. (*XI*) *Miscellaneous.*—The provision of Rs. 44 includes Rs. 24 on account of the pay of a sweeper for the Musafarkhana. This will be struck out for reasons given in para 11 of Government Proceedings No. 2145-6—L. F. 111-93, dated 9th August 1894, *viz.*, that such charges are debitable to District Funds.

GUNDLUPET.

| | Total ... | 1,288 | 1,119 |

39. *(II) Tax on houses, and (VII) Mohatarfa.*—The decrease should have been explained.

40. *(X) Miscellaneous.*—The omission of estimate under "*(f)* School fees" owing to the transfer of the school to Government accounts chiefly for the decrease in the estimate, which is passed.

41. Including the opening balance of Rs. 5,326, shown against this Municipality in para 7 above, the sum available for expenditure during 1894-95 is Rs. 6,445, of which Rs. 2,154 are proposed to be expended, leaving at the end of the year a balance of Rs. 4,291, which exceeds 30 per cent of the receipts by Rs. 3,955, which is reserved for sanitary works requiring large outlay:—

| | Details. | Actuals of 1892-93. Rs. | Estimate for 1893-94. Rs. | Estimate for 1894-95. Rs. |

| | Total ... | 1,146 | 2,344 | 2,154 |

42. *(II) Head office.*—A sum of Rs. 24 will be entered in lieu of Rs. 22 (*vide* Appendix D).

43. *(VII) Lighting.*—The increase under this head is said to be due to the provision made for the lighting of 5 additional lamps, which were ordered to be purchased in June last. The estimate is passed.

44. *(VIII) Public works.*—The provision made under this head includes Rs. 100 for the repair of the Anglo-Vernacular School. As the school was transferred to the Education Department, the provision made for the repair of the school buildings will be struck out:—

| | | Rs. |
|---|---|---|
| 1. | Opening fresh roads ... ... ... .. | 260 |
| 2. | Repairing roads ... ... ... ... | 400 |
| 3. | Opening drains ... ... ... ... | 200 |

| | Total ... | 1,210 |

45. *(X) Education.*—The sum of Rs. 69 is the contribution payable by the Municipality towards the cost of the English school in accordance with Government Proceedings dated 2nd March 1894, C. No. 309-25, and is accepted.

NANJANGUD.

46. The receipts of this Municipality for 1894-95 are estimated at Rs. 4,704 against Rs. 3,599, the actuals of 1892-93:—

| | Details. | Actuals of 1892-93. Rs. | Estimate for 1894-95. Rs. |
|---|---|---|---|
| I | Octroi ... ... ... ... ... | 1,340 | 2,405 |
| II | Tax on houses ... ... ... ... | 696 | 817 |
| VII | Mohatarfa ... ... ... ... ... | 674 | 743 |
| IX | Fines ... ... ... ... ... | .. | 4 |
| X | Miscellaneous ... ... ... ... ... | 889 | 735 |
| | Total ... | 3,599 | 4,704 |

47. *(I) Octroi.*—The estimate under "cloth" appears excessive. The actuals of 1892-93 was Rs. 449, and the probable collections in 1893-94 are put down as only Rs. 565, while the estimate for 1894-95 is Rs. 900. The Government would reduce the estimate to Rs. 530. The increase in the other items is due to the transfer of the Government moiety on Sayer articles.

48. *(II) Tax on houses, and (VII) Mohatarfa.*—The increased estimates under these heads stated to have been based upon the Jamabandi figures for 1893-94, are approved.

49. (X) *Miscellaneous.*—The decrease under this head, which is chiefly in (*a*) "Sale of houses and lands," is due to there being very few sites available for sale during 1894-95, most of them in the Srikantapura Agrahar having been disposed of in 1893-94.

50. The estimate as now revised comes to Rs. 4,354. Adding to this Rs. 7,999, the estimated balance in favor of the municipality on 1st July 1894, the sum available for expenditure during 1894-95, is Rs. 12,333, of which Rs. 7,294 are proposed to be expended, leaving a balance at the end of the year of Rs. 5,039, which exceeds thirty per cent of the receipts by Rs. 3,739. The Deputy Commissioner may propose further expenditure on useful sanitary works:—

| | Details. | Actuals of 1892-93. | Estimate for 1893-94. | Estimate for 1894-95. |
|---|---|---|---|---|
| | | Rs. | Rs. | Rs. |

| IX. | Charitable grants ... ... ... | 140 | 270 | 180 |
| X. | Education ... ... ... ... | 120 | 120 | 120 |
| XI. | Miscellaneous ... ... ... ... | 37 | 113 | 180 |
| | Total ... | 2,437 | 6,924 | 7,294 |

51. *(II) Head office.*—The provision will be altered to Rs. 93 (*vide* Appendix D).

52. *(IV) Conservancy.*—There are at present fifteen sweepers for the conservancy of the town, and one Dafadar to supervise their work. Owing to the opening of three fresh roads last year, the Board propose the employment of an additional Dafadar for better supervision. The proposal is approved, and the estimate accepted.

53. *(VIII) Public works.*—The provision made is for the works noted below and will be retained, but the Deputy Commissioner is requested to explain the necessity for the provision of Rs. 144 for a cattle-pound in addition to Rs. 150 sanctioned for the same in 1893-94 and for Rs. 1,000 under compensation. The provision under this head includes Rs. 120 per supervision establishment, but details thereof have not been given in budget statement No. III as required by para V of Government official memorandum dated 8th December 1889, No. 6861-70—157. Such omissions should be guarded against in the future:—

| | | Rs. |
|---|---|---|
| (*a*) | Supervision establishment ... ... ... | 120 |
| 1. | Repairing roads ... ... ... ... | 900 |
| 2. | Constructing drains and a tunnel ... ... ... | 2,200 |

| 4. | Constructing a cattle-pound ... ... ... | 144 |
| 5. | Compensation ... ... ... ... | 1,000 |
| | Total ... | 4,514 |

54. (*IX*) *Charitable grants.*—The provision of Rs. 90 sanctioned in the budget for 1893-94 on account of the moiety of the pay of midwife is omitted in the present budget, on the ground that the District Fund Board have agreed to bear the charge. But the District Fund Budget for 1894-95 contains no provision whatever for the pay of the midwife of the Nanjangud Taluk. The Deputy Commissioner is requested te state whether there is a midwife for the Nanjangud Taluk, and if so, why no provision was made for her salary in the District Fund Budget.

55. (*XI*) *Miscellaneous.*—The provision under this head includes Rs. 55 on account of the cost of two pandals put up in May 1894. It should be explained for what purpose the pandals were put up, whether the Municipal Board approved of the charge, and why provision is made in the Budget for 1894-95 for a work done in 1893-94.

T. NARSIPUR.

58. (*X*) *Miscellaneous.*—The omission of estimate under "(*f*) School fees" owing to the transfer of the English School to Government, accounts for the decrease in the estimate, which is passed.

59. Including the opening balance of Rs. 932, the sum available for expenditure during 1894-95 is Rs. 1,379, of which Rs. 680 are proposed to be expended, leaving a balance at the end of the year of Rs. 699, which exceeds thirty per cent of receipts by Rs. 565. 4. *(II) Tax on houses, and (VII) Mohatarfa.*—The estimates are passed. The large decrease under "Cart tax" should however be explained :—

6. *(II) Head office.*—The *provision made under this head does not include the contribution payable by this and other Municipalities of the District towards the salaries of the two temporary hands entertained in the Dewan's Office. A sum of Rs. 14 will be entered on this account and the total estimate raised to Rs. 756, which will be proportionately distributed among the several Municipalities in the District as shown below. As the sum payable by the Head-quarter Municipality is Rs. 220, this amount will be entered in the Budget of the town in lieu of Rs. 218 proposed :—

| Total ... | 386 | 356 | 742 | 400 | 356 | 756 |

7. *(III) Collection.*—The increase of Rs. 25 entered under this head is on account of commission payable on the increased revenue from octroi. The estimate is sanctioned.

8. *(IV) Conservancy.*—The provision under this head includes the monthly increase of Rs. 5 sanctioned to the pay of the Municipal Daroga in Government Proceedings dated 24th March 1894, No. 16012-3—388-92. Hence the increase in the estimate, which is passed.

9. *(V) Police.*—As the Municipality was relieved of the cost of the Town Police in Government Proceedings dated 23rd June 1894, No. 22191-509—L. F. 267-93, the provision made on its account will be struck out.

10. *(VII) Lighting.*—The omission in the present Budget of the sum of Rs. 60 provided in the past year's Budget on account of the purchase of lamp-posts and lanterns, accounts for the decrease in the estimate, which is accepted.

11. *(VIII) Public works.*—The provision made in the present Budget is for the works noted below. But the description of works to be undertaken under "Water supply" and "Other works, original," has not been given in Budget Statement No. II of this and other Municipalities. The omission should be supplied; meanwhile the estimate will be retained: –

| | Rs. |

| Total | ... | 1,574 |

12. (*IX*) *Charitable grants.*—The estimate consisting of the following items amounts to Rs. 956 as against Rs. 851, sanctioned for 1893-94:—

| | 1893-94. Rs. | 1894-95. Rs. |
|---|---|---|
| 1. One-third cost of the Civil Hospital and Dispensary ... | 577 | 596 |

| 3. Moiety of the cost of midwife ... ... ... | 190 | 100 |
| 4. Vaccination ... ... ... ... | 84 | 84 |
| Total ... | 851 | 956 |

13. *Item* 1—includes Rs. 59 on account of furniture, against Rs. 40 sanctioned in 1893-94. It is observed that provisions as noted in the margin appear in the Budgets of the remaining Municipalities also on account of furniture. The Deputy Commissioner is requested to state whether the provisions of the past year were utilized, and if so, why further provisions have become necessary in the current year. Meanwhile the estimates will stand.

14. *Item* 2.—The provision made in accordance with Government Proceedings dated 10th August and 23rd December 1893, Nos. 2645-7—L. F. 434-92, and 9938-40—L. F. 434-92 respectively, is passed.

15. *Item* 3.—The decrease is due to the provision made in the present Budget on account of only a moiety of the pay of the midwife, in accordance with Government Proceedings dated 19th December 1893, No. 9542—L. S. 337-92, instead of the entire salary hitherto charged to Municipal funds. But the provisions made on account of moieties of the salaries and allowances of midwives have not been correctly entered in the Budgets of this and other Municipalities. The correct sums which are as noted below are sanctioned:—

| No. | Municipalities. | As proposed. | | | As sanctioned. | | |
|---|---|---|---|---|---|---|---|

| | Total ... | 900 | 10 | 910 | 810 | 180 | 990 |

In the above table the provision made against Srinivaspur has been omitted, as the employment of a midwife for that Taluk has not yet been sanctioned. (*Vide* Government Proceedings dated 15th November 1893, No. 7979-81—L. F. 337-92).

16. (*XI*) *Miscellaneous.*—The provision under this head, which is as detailed below, is sanctioned :—

20. (*X*) *Miscellaneous.*—A sum of Rs 300 included in the estimate under this head on account of School Fees will be struck out, as the English school was transferred to the Education Department with effect from 1st July 1894, under Government Proceedings dated 2nd March 1894, C. No. 309-25.

21. The estimate thus reduced comes to Rs. 1,503. Adding to it, the opening balance of Rs. 1,683, the sum available for expenditure during 1894-95 is Rs. 3,186, of which Rs. 2,159 are proposed to be expended :—

26. (*X*) *Education.*—The sum of Rs. 200 entered under this head represents the amount of contribution payable by this Municipality towards the cost of the English school in accordance with Government Proceedings dated 2nd March 1894, Camp No. 309-25.

MALUR.

27. The income of this municipality for 1894-95 is estimated at Rs. 990 against Rs. 1,027, the actuals of 1892-93. The estimate under the first three items calls for no remark. The increase under "X Miscellaneous" is chiefly in "(*d*) Pounds" from which Rs. 140 are expected against Rs. 76 collected in 1892-93. The increase is justified by the probable collections of 1893-94 amounting to Rs. 139, and the estimate is passed:—

| Items. | Details. | Actuals of 1892-93. | Estimate for 1893-94. |

In all such cases, the Deputy Commissioner is requested to propose further expenditure on useful works, unless balances are specially reserved for any particular works requiring large outlay. If the funds are anywhere specially reserved, a report of the same should be made. Government desire that all available money should be spent on useful works, and that money should not be needlessly allowed to accumulate.

# GENERAL.

*Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 4th September* 1894.

READ :—

(1) Docket No. 4251—440, dated 22nd June 1894, (2) Letter No. 70—7, dated 5th July 1894, from the Inspector General of Police in Mysore, forwarding the following reports from the Deputy Commissioners of Kadur and Hassan Districts, on the working of the Coffee Stealing Prevention Act during the season ending 31st March 1894 :—

With reference to Government Proceedings No. 13309-12—G. 2065, dated 31st January 1893, requesting a report annually on the working of the Coffee Stealing Prevention Act, I have the honor to submit the following review on the work of the Police and the measures adopted towards the prevention, detection, and prosecution, of coffee theft cases during the season ending 31st March 1894.

During the season, almost every Taluk showed progress towards the suppression and investigation of this particular class of cases, and the same is apparent from the results achieved and noted below :—

1. The Chikmagalur Taluk reported only 5 cases against 12 during the previous season ; of these, two cases ended in conviction, one in acquittal and two were pending investigation.

The Police Dafadar located at Attigundi, an out-post established specially for the checking of cases connected with coffee, having exercised special supervision, his endeavours were attended with success.

The Bergunde Pass, through which coffee of this Taluk is transported to Mangalore, was also watched by a specially deputed Constable and smuggling prevented.

2. The Kadur Taluk, to which the provisions of the Coffee Stealing Prevention Act are not yet extended owing to its having very little area under coffee cultivation, reported only one case (taken on file under Section 379 I. P. C.,) and struck off on a B. report, as the possession of the coffee alleged to have been stolen in this case was claimed by adverse parties, who were referred to a Civil Court.

3. The Tarikere Taluk had three cases to deal with during the season. These were successfully prosecuted to conviction.

The station of Lingenhalli and the out-post of Santvéri embrace most of the plantations of this Taluk, and the officers in charge of these posts had this as their special work during the season.

The small number of cases reported and their successful termination shows good work and careful supervision.

The Santvéri out-post has since been increased by one more Constable, so that greater supervision may be exercised in that village and its suburbs, as Lambanis and Khandáris have colonized this settlement.

4. The Yedahalli Sub-Taluk had only two cases ; one of them is pending before the Magistrate and the other ended in the conviction and sentence of the accused to a period of one year.

This heavy punishment cannot fail to leave behind, an impression on the minds of the cooly class.

5. The Mudgere Taluk secured conviction in all five cases that were investigated.

The Inspector submits that he and his subordinates bestowed their very careful attention to this important duty and that they had the hearty co-operation of the Amildar, and I am satisfied from the results that they have done their duty.

An annual "Jatra" is held at Devavrunda where persons from all parts of the Taluk meet. The Amildar and his Inspector encamped there while it was being held and inspected such registers as were deemed necessary.

6. The Koppa Taluk has not as yet furnished its report and statistics, but, from a perusal of my Office records, it is satisfactory to note that it also has shown good work.

7. The importance which the Government properly attaches to the inspection of books kept by dealers in coffee, was besides other instructions repeatedly brought home to the several officers of this District, by means of the two Circular Orders issued for the purpose, and the co-operation of the Amildars also secured.

8. As usual, the requisitions of Planters from all parts of the District for employment of Constables on their Estates during the season were promptly and invariably complied with, and the occurrence of petty thefts considerably suppressed in consequence.

9. A very serious difficulty is always experienced in running in receivers of coffee from Planters not co-operating in offering rewards to secure tangible information. The Association, I believe, have proposals before them to provide funds for this object and suggestions have been made to several Planters by the Assistant Superintendent of Police that they should have notices put up prominently on their Estates to attract their coolies to give timely information, since it is known that they are, in nearly every instance, the parties who steal the coffee.

10. In conclusion, I beg to assure Government that the protection, which the Planting Community so earnestly desire, will be further secured by the establishment of a few more out-posts on coffee tracts, with systematic beat work, when the increase to the present strength is placed at my disposal and sanction is obtained to my proposals submitted with this office No. 76, dated 16th September 1893. *

*Report from the Deputy Commissioner of Hassan.*

I have the honor to submit a review on the working of the Coffee Stealing Prevention Act for the season ending 31st March 1894.

The only Taluk in which cases were reported under the Act during the year 1893-94 was Manjarabad.

The subjoined statement exhibits the number of cases registered with their results before the Magistracy as compared with the year previous :—

| Section of the Act. | Cases. | | | | | | Persons. | | | | | | Fined. | |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| | Reported. | | Convicted. | | Acquitted. | | Prosecuted. | | Convicted | | Acquitted. | | | |
| | 1892-93. | 1893-94. | 1892-93. | 1893-94. | 1892-93. | 1893-94. | 1892-93. | 1893-94. | 1892-93. | 1893-94. | 1892-93. | 1893-94. | 1892-93. | 1893-94. |
| Section 5 ... | 2 | 2 | 2 | 2 | . | ... | 2 | 2 | 2 | 2 | ... | ... | 8 | 8 |
| Sections 5 and 8 ... | 2 | 3 | 2 | 3 | ... | .. | 3 | 3 | 3 | 3 | .. | .. | 27 | 26 |
| Section 8 ... | 2 | 1 | 2 | 1 | .. | .. | 3 | 1 | 3 | 1 | ... | ... | 75 | 16 |
| Section 10 ... | 1 | 9 | 1 | 8 | ... | 1 | 3 | 10 | 2 | 8 | 1 | 2 | 25 | 53 |
| Total ... | 7 | 15 | 7 | 14 | ... | 1 | 11 | 16 | 10 | 14 | 1 | 2 | 135 | 103 |

It will be seen from the above that, during the year under review, fifteen cases involving sixteen persons against seven cases and ten persons of the year previous, were registered by the Police. Convictions were secured in all but one case, which ended in acquittal. Of the sixteen persons placed before the Magistrate, fourteen were convicted and two acquitted.

Fine aggregating Rs. 103 against 135 was inflicted.

So far as the above result goes, it may be favorably noted that the Act was efficiently enforced and that no difficulty was experienced in its working.

Orders have been issued to the Police that the results of their inspection of the registers kept for the purpose by dealers in coffee, should be embodied in the report to be submitted by them at the end of each season.

No. 4292—G. F. 384-92, DATED, BANGALORE, 4TH SEPTEMBER 1894.

ORDER THEREON.—First as to the Kadur District. The report is recorded with the following remarks :—

(1) The different Sections of the Act under which the offences in question fall have not been specified.

(2) The number of cases in which Books to be kept under Section 5 of the Act were examined has not been specified.

(3) It is not stated whether the Planters who asked for deputation of Police Constables also paid for them. Obviously it is impossible to depute a Constable to every estate during the coffee picking season.

2. Next as to the Hassan District. The report is more satisfactory and is otherwise, only in respect of the fact that it discloses no action in the Belur Taluk, a considerable portion of which is also a coffee tract.

Letter No. 1454, dated 29th June 1894, from the Deputy Commissioner, Mysore District, soliciting instructions as to whether the note under the list of holidays (Calendar), *viz.*, "The Head-quarter Offices may be closed on the last or other Saturday in each month," is also applicable to District Head-quarter Offices.

No. 4575-83—G. 1178, DATED, BANGALORE, 12TH SEPTEMBER 1894.

ORDER THEREON.—The Circular Order No. 6260—114 of 23rd September 1876, addressed to the Commissioners of Divisions has not been cancelled, Government have no objection to Offices being closed on the last or other fixed Saturday of every month, provided the state of public business admits of it.

2. The foot-note to the calendar is applicable to Head-quarter Offices at Bangalore as well as to other District Head-quarter Offices. But Government would prefer that for Bangalore the holiday shall be on the last Saturday of the month and for other District Head-quarters it shall be on Saturday the last but one. To make this clear, that portion of the foot-note will be altered in future calendars so as to read as follows:—

"Offices at Bangalore may be closed on the last Saturday in each month, and Offices at other District Head-quarters on Saturday the last but one in each month when the state of public business permits."

Resolution of the Government of India in the Home Department, No. 17 Public—2183-2193, dated the 10th November 1892, received from the First Assistant to the Resident in Mysore, reviewing the results of the measures adopted by the Local Governments and Administrations for the extermination of wild animals and venomous snakes during the year 1891.

**No. 5040-47—G. F. 286-92, DATED, BANGALORE, 12th SEPTEMBER 1894.**

ORDER THEREON.—The annexed statement is compiled from the reports submitted by the Deputy Commissioners of Districts on the measures adopted for the extermination of wild animals and venomous snakes during the year 1891-92. It will be seen therefrom that the mortality caused by wild animals in the Province is 14, and that by snakes is 109, thus making a total of 123 from both. This compares with the mortality in the several Provinces in India from the same causes for the year under review as follows:—

| Province. | No. of persons killed by— | |
|---|---|---|
| | Wild animals. | Snakes. |
| Madras ... ... ... ... ... ... | 279 | 1,433 |
| Bombay ... ... ... ... ... ... | 80 | 1,187 |
| Bengal ... ... ... ... ... ... | 1,584 | 10,031 |
| North-West Provinces and Oudh ... ... ... ... | 236 | 6,013 |
| Punjab ... ... .. ... ... ... | 65 | 799 |
| Central Provinces ... ... ... ... ... | 310 | 1,099 |
| Burma ... ... ... ... ... ... | 121 | 418 |
| Assam ... ... ... ... ... ... | 200 | 209 |
| Coorg ... ... ... ... ... ... | 3 | 4 |
| Hyderabad Assigned Districts .. ... ... ... | 29 | 145 |
| Ajmere and Marwara ... ... ... ... ... | 4 | 51 |
| Total ... | 2,911 | 21,389 |

As among Districts of the Mysore Province, the Kolar District shows proportionately the greatest loss of life from snake-bite and the Mysore District the lowest.

2. The total number of cattle including sheep and goats returned as destroyed by wild animals and snakes during the year under review, is 8,763 (4,044 being large cattle and the remaining 4,719 being sheep and goats). Of these, 5,676 or 64·7 per cent are attributed to tigers and leopards.

3. The number of wild animals destroyed is 4,462. More than half of this number is reported to be snakes. Rewards paid for the destruction of wild animals and snakes (4,462 in number, more than half of which were snakes) aggregated Rs. 4,859. Of this, Rs. 3,631 were for 48 tigers and 148 leopards killed.

4. The Deputy Commissioners have not reported what steps they have taken towards destruction of the cover afforded for snakes in or near villages (*vide* Government Proceedings No. 2849-58—Cir. 26, dated 14th May 1892).

# DECISIONS OF GOVERNMENT IN REVENUE CASES.

## SEPTEMBER 1894.

### Appeal No. 2443—A. S. 131 of 1893-94.

| *Appellant.* | | *Respondent.* |
|---|---|---|
| Sankarappa of Kambala, Nelamangala Taluk, Bangalore District, represented by Mr. L. Srinivasaiengar, Advocate. | *Vs.* | Hutchappadevaru, represented by Mr. S. Ramaswami Iyer, Advocate. |

*Decision.*—No. 97 of the village Kambala (acres 12-39, assessed at Rs. 14) was sold under the orders of the Deputy Commissioner by public auction on 30th November 1893, at which Appellant purchased it for Rs. 166. Respondent was present at the sale and did not bid against the Appellant. Before the sale was confirmed, Respondent prayed that the land might be given to him on valuation, as it was on three sides surrounded by his lands, and the Assistant Commissioner accordingly granted it to him on a valuation of Rs. 250. The Deputy Commissioner confirmed the action of the Assistant on appeal.

2. The present appeal is against this order.

3. Appellant requests that his purchase of the land at the auction held on 30th November may be confirmed, but Government observe that the sale was irregular. In the Sale Proclamation, it was stated that it would take place in the village of Kambala on 28th November, but the Amildar, without going to the spot on the day fixed, adjourned it to 30th November. Such an adjournment is irregular, since the parties that proceeded to the spot on the day mentioned in the Proclamation could possibly have no notice of the adjournment. The low price for which it was sold is apparently due to this cause. The sale is therefore hereby cancelled.

4. As regards the claim of the Respondent, Government do not see sufficient grounds for granting him the land on valuation, especially after it has been once decided that it should be sold. The grant of the land made to him on valuation is also cancelled, and the Deputy Commissioner is requested to re-sell the land after issuing the required Proclamation.

No. 4230—P. F. 37-94, DATED 1ST SEPTEMBER 1894.

The following letter from the Deputy Commissioner, Kolar District, No. 3033—714 of the 2nd March 1894:—

Adverting to your Official Memorandum No. Pet. 867, dated the 6th December 1893, forwarding for report a petition* from Papachamma, wife of Bhaskaraiya of Kasaba Srinivaspur, appealing against this office order regarding the Shanbhogship of Yeldur and seven other villages in the Mulbagal Taluk, I have the honor to state that Bhaskaraiya, petitioner's husband, who was the Shanbhog of the said villages, became a revenue defaulter to the extent of Rs. 345 and odd, and subsequently turned out insane. Neither the petitioner nor any other heirs of the Shanbhog above named having paid up the arrears due to Government, my predecessor Mr. Abdul Rahman in his orders as per margin directed that one Agastyappa, uncle of Bhaskarappa and who made good the amount outstanding against the latter, should be appointed Shanbhog in his (Bhaskarappa's) place, with permission to have the duties of the post performed by

a Gumasta named Bhimappa during the minority of his son, and subject to the office being surrendered by the new nominee in favor of the heirs of the late Shanbhog, in the event of the money paid by him with interest thereon being refunded to him by them within one year from the date of appointment.

2. The petitioner having appealed to Government in the matter in 1892, her petition, Registered No. 2016, dated 19th November 1892, was forwarded to this office for disposal with your Official Memorandum No. 980, dated the 16th February 1893. The petitioner was thereupon given another chance of paying up the amount due to Agastyappa as above and of regaining the "hak" lost by her husband, but she failed to avail herself of the opportunity, pleading certain private disputes of a civil nature existing between herself and Agastyappa. I was, therefore, obliged to give her an endorsement, No. 2, dated 12th August 1893, rejecting her application for the registry of the office in the name of her minor son Bhogappa *alias* Somasundraiya with permission to appoint her own Gumasta for the discharge of the duties during the minority of the proposed nominee.

3. The original records connected with the case as per accompanying Ferist are herewith submitted for reference and obliging return when no longer required.

---

No. 4317-24—Pet. 384, DATED, BANGALORE, 6TH SEPTEMBER 1894.

ORDER THEREON.—The order issued by the Deputy Commissioner is wrong. Innocent default to pay arrears of revenue is quite different from misappropriation, and though a hakdar may well be required to recoup misappropriated amount to keep the hak alive, an analogous course of action cannot be allowed in the case of a man innocently failing to pay arrears of revenue due.

2. The revenue recovery proceedings should be kept separate, and not mixed up with the Shanbhogi hak.

3. In the case under notice, the Deputy Commissioner is requested to appoint a substitute during the insanity of Bhaskarappa or minority of his son. Petitioner may nominate subject to Deputy Commissioner's sanction.

4. If Agastyappa has already paid any money to Government on account of the arrears due by Bhaskarappa, it should be refunded to him, and the arrears due should be recovered by the sale of the property of Bhaskarappa, according to law.

Docket from the Deputy Inspector, Chitaldroog, to the Education Secretary, No. 104, dated 13th August 1894, representing that Esoof Khan, a contractor, who after receiving an advance of Rs. 65 for constructing a school house at Naikanhatti, failed to perform any part of the contract, has some property from which the amount advanced can be recovered, and asking for permission to institute civil proceedings for the recovery of the advance with interest.

C. No. 41—52, DATED 17TH SEPTEMBER 1894.

ORDER THEREON.—Under the circumstances stated, Government is pleased to sanction the institution of proceedings for the recovery of the advance paid to Esoof Khan, a contractor of Chitaldroog, who has failed to perform any portion of his contract. The necessary law costs are sanctioned, which should be recovered from the defaulting contractor and paid back into the Treasury.

2. In future, no advances should be paid to contractors, unless work equal in value to the amount advanced has already been completed, or unless sufficient legal precautions are taken to secure Government against loss at the time of giving an advance by obtaining a bond with sureties for the indemnification of Government, should the contractor fail to perform his contract.

# PUBLIC WORKS.

*Proceedings of the Government of His Highness the Maharaja of Mysore, (Public Works),—dated 17th September 1894.*

READ —

The following note by the Officiating Chief Engineer of Mysore, dated 13th July 1894, on Preliminary Issue of the Public Works Budget Estimates for the year 1894-95.

The Budget Estimates for 1894-95 aggregate Rs 31,71,365 against the final grant of Rs. 30,51,065 for 1893-94, the excess being chiefly due to the increased grants under Provincial and Irrigation Cess Funds, as will be seen from comparative statement below:—

| | 1893-94. Rs | 1894-95. Rs. |
|---|---|---|
| Provincial Fund | ... 24,50,000 | 25,00,000 |
| District Funds | ... 4,23,065 | 3,76,865 |
| Irrigation Fund | ... 1,50,000 | 2,84,000 |
| Palace Fund | ... 28,000 | 10,500 |
| Total | ... 30,51,065 | 31,71,365 |

2. *Provincial Budget.*—The grant under this Budget has been fixed at 25 lakhs, or Rs. 50,000 more than the final grant for 1893-94. Of this amount, Rs. 16,56,000 have been allotted for original works, Rs. 3,88,000 for repairs, Rs. 4,36,000 for establishment, and Rs. 20,000 for tools and plant. The allotment under the first head includes 11 lakhs for irrigation works, which will be spent on works of that class calculated to bring in new or additional revenue, and the amount will not be treated as a grant-in-aid to Provincial Irrigation Fund, as hitherto, this arrangement having been abolished as being most confusing. The distribution of the Provincial grant by service heads is given in abstract pages 2 and 3.

3. *Original* under "*Military.*"—One lakh has been provided, of which Rs. 63,000 have been allotted for four new works, Rs. 35,000 for three incomplete works of the previous year, and Rs. 2,000 for minor works. At the request of the Military Secretary, an allotment of Rs. 5,000 each has been made for reconstructing the Barr Lines at Bangalore, and the Silahdar Lines at Shimoga, which latter are reported to be in a dilapidated condition; but if the Government consider that these works should not be undertaken, they may be struck out, the provision made for them being added to the grant of Rs. 50,000 assigned for the construction of lines for the Imperial Service Corps, and Transport Service at Bangalore, a project for which amounting to Rs. 5,32,303 has already been submitted to Government for sanction. An allotment of Rs. 10,000 has been provided for the Barr Lines at Chitaldroog in accordance with the orders of Government Under "Repairs," the usual allotment of Rs. 5,000 has been provided for the maintenance of existing Military buildings.

4. *Civil Buildings.*—The grants for the various works under this head aggregate Rs. 2,50,000, or Rs. 50,000 less than the grant for 1893-94. Of this amount, Rs. 1,00,500 are allotted for incomplete works of previous years, and Rs. 1,02,000 for new works, the balance, Rs. 47,500, being reserved for minor works. The important works proposed to be undertaken during the year are (1) The General Hospital, (2) Quarters for the Principal of Central College, (3) Constructing Geological Survey Office, all at Bangalore, (4) Constructing record rooms, &c., for the law courts at Mysore, (5) Out-houses for the public offices, (6) Quarters for the Tutor to the Princes, (7) Lines for the accommodation of the Reserve Police force stationed at Mysore. Provision has also been made for the construction of female dispensaries at the District Head-quarters of Kolar, Tumkur, Hassan, Chitaldroog, and Shimoga, at the instance of the Senior Surgeon; also for the construction of Deputy Amildar's Cutcherry at Alur, which the Deputy Commissioner of Hassan reports to be absolutely required, as it will be the head-quarters of the Deputy Amildar hereafter. Of the sum of

Rs. 47,500 reserved for minor works, Rs. 15,500 will be set aside for new police stations and lines (in addition to Rs. 14,500 allotted for major works of this class detailed in Part I of Budget), and the balance will be devoted to works of general utility and providing accommodation for in-patients in some of the dispensaries, besides completing the several incomplete minor works in progress.

The fresh works noted below brought forward by Executive Engineers in their Draft Budgets, have been omitted for want of funds :—

*Mysore Division.*

1. Constructing an upper storey for European and Eurasian in-patients at Mysore
2. Constructing quarters for the Comptroller of Mysore.
3. Constructing quarters for the officials of Comptroller, Inspector-General, and Education Secretary's offices.
4. Constructing Industrial School at Mysore.
5. Constructing quarters for Lady Assistant Superintendent to H. H. the Maharani's Girls' School at Mysore.
6. Constructing Taluk Amildar's Cutcherry at Mysore.
7. Constructing quarters for three native officers.
8. Constructing chattram at Mysore for Representative Assembly members of eight Districts.
9. Constructing gunshed, guard-room, and expense magazine for Saluting Battery on north-east glacis of fort.

5. Under "*Irrigation*" 11 lakhs have been provided, of which not less than Rs. 9,93,000 have been absorbed by incomplete major works of previous years. Larger allotments than usual have been made for these works in view to their being pushed on to completion during the year, as the Provincial grant will be curtailed from 1895-96 on account of the extensive retrenchments under contemplation. The Executive officers' particular attention will be drawn to this, and Deputy Commissioners will be asked to afford every facility towards the speedy completion of all irrigation works now in hand. Several new projects brought forward by Executive Engineers in their draft Budgets have, for these reasons, been omitted. Provision has, however, been made for the following important and special works, as they are all very desirable ones, and projects for them have either been sanctioned or matured, or the works have been approved of :—(1) Extension of Cauvery Irrigation under the Saligram and Mirle systems in Mysore District, since sanctioned, Rs. 50,000; (2) Allalkatte Anikat right bank channel, Rs. 1,00,000; (3) Extension of Hemavati Irrigation under Mandigheri channel in French Rocks Sub-Division, Rs. 20,000; (4) Garudachala project, Rs. 10,000; (5) Borankanave channels in Tumkur District, Rs. 5,000; (6) Marikanave reservoir and channels, Rs. 20,000, but a large special grant may be required; (7) Sulikere channels in Shimoga District, Rs.25,000; (8) Hessarghatta Tank channels, Rs. 1,00,000, in Bangalore District, now in progress. It is probable that the allotment assigned for the last named work will be insufficient; any additional grant that may be required will be provided later in the year by re-appropriation. For the Hulhalli channel works, a sum of one lakh has been assigned, and the other important special big works in progress have been granted funds as applied for by Divisional officers. An allotment of Rs. 10,000 each has been provided for the completion of the three important new reservoirs in Kolar District. For minor irrigation works, a sum of Rs. 39,000 has been provided.

6. *Communications.*—A sum of Rs. 1,60,000 has been provided under this head, of which more than two-thirds have been absorbed by incomplete major works of previous years. The only important works for which large allotments have been assigned are bridging the Cauvery at Yedatore (Rs. 50,000), improving Shimoga-Hyderghatghat road (Rs. 10,000), and the two Sagar Malnad roads, *viz.*, Avinhalli-Karur (Rs. 6,000) and Talguppa-Aralgudi roads (Rs. 5,000). The last two roads have, under Government Proceedings No. 15430—L.F. 171-93, dated 16th March 1894, been transferred from District Funds to Provincial. Provision has also been made for constructing five inspection lodges, two travellers' bungalows, and one musafarkhana, where such accommodation is said to be absolutely required for the travelling public. The demand for this class of buildings is great, but it cannot be fully complied with, owing to the limited funds available.

The marginally noted new works brought forward by the Executive Engineer, Mysore Special Improvements Division, have not been provided for for want of funds. A sum of Rs. 21,500 has been provided under Reserve Grants for minor works, for the completion of the large number of incomplete works of the past official year, for constructing high caste kitchens to travellers' bungalows, and for other petty urgent works.

1 Railing the north-east glacis along the Victor's road
2 Railing the crossing of the Jubilee-Yelwal road.

7. Under "*Miscellaneous Public Improvements*," a sum of Rs. 41,000 has been provided for the five incomplete works in progress in the Mysore City, *vide* items 73 to 78 of Provincial Budget. Revised estimates for planting Gordon Park and for forming the new suburb Chamrajapura are awaited. Rs. 25,000 have been allotted for the range of Bazaars, so that this large work may be proceeded with as rapidly as possible. For any desirable new works that may be considered necessary during the year, a sum of Rs. 5,000 has been allotted under "Reserve Grant."

8. *Repairs.*—The provision under this head stands at Rs. 3,88,000, *viz.*, Rs. 5,000 under Military, Rs. 60,000 under Civil Buildings, Rs. 3,18,000 under Communications, and Rs. 5,000 under Miscellaneous Public Improvements. Under first and second heads of service, the amounts assigned during the previous year have been adhered to.

9. Under "*Communications*" Rs. 2,52,960 have been allotted for the the annual maintenance of 1,717 miles of provincial, main, and branch roads detailed in Budget pages 48 and 49, and the balance reserved for special repairs to roads, bridges, and tunnels, also for the annual repairs of travellers' bungalows, inspection lodges, and musafarkhanas.

The mileage allotments for the roads noted below have been increased slightly, the same being necessary owing to the existing grant proving insufficient for keeping them in fair order on account of very heavy traffic on them :—

*Tumkur Division.*—Salem-Bellary road, from Rs. 120 to 150.
*Shimoga Division.*—Tarikere-Mangalore road, from Rs. 100 to 150.
Shimoga-Haribar road, from Rs 60 to 75.
Shimoga-Mangalore road, from Rs. 125 to 140.
*Hassan Division.*—Banawar-Belur road, from Rs. 100 to 120.
Mudgere-Belur road, from Rs. 100 to 120.
*French Rocks Division.*—Madras-Cannanore road, from Rs. 150 to 160.
Bangalore-Nilgiri road, from Rs. 180 to 200.
Bangalore-Mangalore road, from Rs 120 to 150.

The District Fund Board of Chitaldroog proposes the transfer of Chitaldroog-Benkipur road (now maintained from District Funds at a cost of Rs. 4,060) to Provincial, on the ground that the road having become a very important one owing to the extension of railway communications, the heavy allotment annually required for its up-keep cannot be afforded from the present limited resources of the District. The transfer asked for has been accepted, as the Board on the other hand agree to the retransfer of Chitaldroog-Challakere road (now maintained from Provincial at a cost of Rs. 1,800) to District Funds. The additional cost to Provincial thus involved is only Rs. 2,260.

Under "*Miscellaneous Public Improvements*" the sum of Rs. 5,000 provided is required for the annual maintenance of Sankey's tank in Bangalore, the Kukarhalli reservoir in Mysore, and for other works of the kind elsewhere.

10. *District Fund Budget.*—The grants as sanctioned by Government in the General Department for District Fund works to be carried out by Public Works Department, aggregate Rs. 3,76,865, against Rs. 4,23,065 of the previous year. The distribution of the amount by service heads and divisions is given in abstract pages 8 and 9. As already noted (*vide* para 9), the Chitaldroog-Benkipur road in Chitaldroog District has been transferred to Provincial for maintenance, and the Chitaldroog-Challakere road (now maintained from Provincial Funds) has been retransferred to the Chitaldroog District Fund Budget. The savings effected, *viz.*, Rs. 2,260, by the above transfers, have been

added on to the reserved grant under "Repairs Communications," of the Chitaldroog District Fund Budget, pending approval of same in the General Department.

11. *Irrigation Fund.*—The total assets under "*Irrigation Cess proper*" available for expenditure during 1894-95, are estimated at Rs. 2,84,440, as intimated by the Comptroller of Mysore. The grant for this Budget has therefore been fixed at Rs. 2,84,000. It is proposed to treat this Budget as a distinct one, for reasons stated in para 2 of this note, and the amount will be available for expenditure:—(1) on the annual maintenance of the 860½ miles of river channels in Mysore and Hassan Districts, which absorb as much as Rs. 48,321; (2) on the repairs of all existing irrigation works, including masonry and other works done by Government to minor tanks, the earthwork of which is done by raiyats; (3) on the maintenance of the establishment of Tank Inspectors. The proportionate share of establishment charges debitable to this Budget comes to Rs. 46,230, while the annual cost of Tank Inspectors employed under the Revenue Department aggregate Rs. 12,000. The rateable distribution has been adopted as usual, pending orders of Government on a separate reference to be made to them.

12. *Establishment.*—The total charges under this head amount to Rs. 5,51,000 against Rs. 5,16,000 for 1893-94. The excess is chiefly due to the provision made for the proposed increased Engineer establishment, and to the lump-sum money limit for Sub-overseers and Taluk Méstris having been increased to meet actual requirements. The details regarding establishment will be found in Part III of Budget, pages 60 to 63.

The establishment charges are 17·3 per cent on the total grant of Rs. 31,71,365, or 21·1 to grant for works. The rateable distribution of the charges to the several Budgets, Palace excepted, is as noted below:—

| | | Rs. |
|---|---|---|
| Provincial Fund, 21 per cent | ... .. | 4,36,000 |
| Irrigation Fund, 20 per cent | ... ... | 46,230 |
| District Fund, 22 per cent | ... ... | 68,770 |
| | Total ... | 5,51,000 |

*General Remarks.*—Under "*Palace Fund*," a sum of Rs. 10,500 is required for works connected with the Palace at Bangalore, and for the annual repairs to the buildings during 1894-95. No details for this amount have been furnished by the Executive Engineer, but as usual, the formal approval of Government will be obtained before estimates are sanctioned from this fund.

The Special Improvements Division will soon be amalgamated with the Mysore Division, and a separate Division formed under Mr. Mahadeva Sastri, Executive Engineer, to carry out works in connection with extension of Cauvery Irrigation in Mysore District.
